FINANCIAL DEPARTMENT.

No. 400.

To

THE COMMISSIONER FOR THE GOVERNMENT OF THE TERRITORIES
OF HIS HIGHNESS THE MAHARAJAH OF MYSORE.

SIR,

In acknowledging the receipt of your letter, of the 4th instant, No. 1727, requesting that supplies of Madras Foreign Bill labels may be furnished, on application of the Auditor and Accountant in Mysore, at cost price, I am directed by His Excellency the Governor in Council to forward a copy of a letter from the Superintendent of Stamps, and to inquire whether, under the circumstances therein stated, you require a supply of the Stamps in question.

Dated 15th August 1865, No. 266.

I have the honor to be,
Sir,
Your most obedient Servant,

FORT SAINT GEORGE,
25th *August* 1865.

(Sd.) A. J. Arbuthnot.
Chief Secretary.

From Lieutenant-Colonel J. TEMPLE, Superintendent ~~of Stamps~~, to the ~~Hon~~[redacted] ARBUTHNOT, Chief Secretary to Government, Fort Saint George; dated Madras, 15th August 1865, No. 266.

I have the honor to return the letter of the Commissioner for the Mysore Government, No. 1727, dated 4th instant, relative to a supply of Foreign Bill adhesive stamps forwarded to me by the Mint Master, and to state that I have a very large supply of the description of stamps applied for, and therefore can supply them without difficulty.

2. The Commissioner is, however, under a misapprehension as to their use, as they are solely intended for Bills in Foreign countries, and negotiated in India (that is, in the present case, in Mysore) as per concluding words of Section 9 Act X of 1862, and their use on Bills drawn *in* Mysore on places out of British India will render such non-negociatiable until they reach the said Foreign State.

3. The precaution of printing the word "Mysore" will be a sufficient protection to the British Revenue, if made known sufficiently to the public.

If Foreign Bill Labels can only be used on Bills drawn out of India & negotiable in Europe, I think it would be most convenient to use the Europe Labels with the words "Foreign Bill" printed across.

JM

I understand that 29 the Madras labels were made unprepared that they might be required for Bills drawn in Europe on other Towns - the Europe labels are more acceptable;
